DUSSEHRA CELEBRATIONS AT FIS

The vibrant spirit of Dussehra filled the air as our little stars from the **Kindergarten section** celebrated the festival with immense joy, colour, and enthusiasm. The campus transformed into a festive hub, reflecting the rich cultural heritage and traditions associated with this auspicious festival.

Our young learners came dressed in beautiful traditional attire, adding a wonderful splash of colour to the day. The celebrations kicked off with a special assembly where teachers shared the significance of Dussehra, explaining the triumph of good over evil.

It was a memorable day filled with learning, cultural appreciation and pure joy, leaving our little ones with beautiful memories of togetherness and celebrations.

हिंदी दिवस AT FIS

FIS celebrated **Hindi Diwas** with great enthusiasm and fervour, bringing the theme **"Bachpan"** to life through a delightful journey down memory lane. The celebration beautifully captured the innocence, joy, and cherished memories of childhood, filling the audience with warmth and nostalgia.

The vibrant and colourful dance performances added energy and charm to the programme, captivating everyone with their lively expressions and graceful movements. A special highlight was the interactive quiz with parents and children, which encouraged enthusiastic participation and made the celebration even more engaging. The nukkad natak (street play) conveyed meaningful messages through a powerful and creative presentation, highlighting the importance of language, culture, and social awareness.

FIS HAS GOT TALENT SENIORS - 2026

The stage came alive with creativity, confidence, and extraordinary talent as our senior students showcased their skills at **FIS Has Got Talent (Seniors)**. From captivating musical performances and energetic dance routines to impressive dramatic acts and unique talents, the event was a vibrant celebration of self-expression and individuality.

The enthusiasm, originality, and dedication displayed by our young performers made the event truly memorable. More than just a competition, it provided a wonderful platform for students to overcome stage fright, build confidence, and shine beyond the classroom. FIS Has Got Talent was a true celebration of passion, creativity, and the limitless potential of our senior stars!

ANNUAL MEDICAL CHECK-UP

The school conducted its **Annual Medical Check-Up** to promote the health and well-being of our students. The check-up included routine health assessments to monitor students' growth, identify potential health concerns, and encourage healthy lifestyle habits. Through this initiative, the school reaffirmed its commitment to creating a safe, healthy, and nurturing environment where every child can thrive.

Healthy children, happy minds, brighter futures!

Once Upon a Time...

We were delighted to host **Ms. Geetha Varadarajan,** a creative educator, storyteller, and content creator who brings warmth and vibrant energy to every child she meets.

Our UKG children had a wonderful storytelling session with her! She narrated a delightful story about birds that captured the little ones' attention from start to finish. Her warm, expressive style made the story come alive, and the children listened with wide eyes and curious minds.

She ended the session with a fun action song on vegetables, which the children thoroughly enjoyed singing and dancing along to! It was a joyful and meaningful learning experience for our young learners.

Music, Magic and Happy Melodies....

"Mickey Mackey, boo baa boo!" — a catchy little rhythm that had our LKG children instantly joining in and keeping time with the music!

Our LKG children enjoyed a lively and engaging music session conducted by **Mr. Anand Pilakkat, Founder of Motif Academy of Music** and a parent at our school. The children explored rhythm, beat and movement through a variety of fun activities, singing, stomping, tapping and responding to different musical patterns with great enthusiasm.

The session was filled with energy, laughter and joyful musical moments, while encouraging listening, coordination, expression and a love for music.

Healthy Habits...

Our Nursery children had an enriching and interactive session with **Dr. Shilpa Shree, Cardiothoracic and Vascular Surgeon**, who introduced them to the importance of personal hygiene and simple ways to prevent influenza.

Through engaging conversations, demonstrations and fun-filled activities, the children explored healthy habits such as maintaining cleanliness, practising proper hand hygiene and taking precautions to stay healthy. The session was both informative and enjoyable, helping our little learners understand that small, everyday habits can make a big difference in keeping them happy and healthy.

EDUCATIONAL TRIP FOR STUDENTS

Grades 10 and 12 embarked on an exciting trip to **Wayanad,** filled with adventure, exploration, and unforgettable memories. The highlight of the trip was the exhilarating Chennagiri Hill trek and Edakkal Caves, which challenged students to step out of their comfort zones, build resilience, and to appreciate the beauty of nature. A visit to the magnificent Banasura Sagar Dam offered breathtaking views and an opportunity to admire the region's scenic splendour. The trip provided a refreshing break from academics while fostering teamwork, camaraderie, and independence. It was a memorable experience that combined adventure, learning, and bonding, leaving students with cherished memories to treasure!

Students of **Grades 6 to 8** went on an enriching educational trip to the historic destinations of **Hampi, Badami, and Pattadakal.** The journey offered a fascinating glimpse into India's glorious past through magnificent temples, ancient monuments, intricate carvings, and remarkable architectural wonders. Exploring these historical landmarks brought classroom lessons to life, deepening our students' understanding of India's rich cultural heritage. Beyond academics, the trip encouraged curiosity, camaraderie, and experiential learning, leaving students with lasting memories and a renewed appreciation for the treasures of Indian history.

INTRA FIS MOCK TRIALS

We are proud to announce the successful completion of the **First Edition** of **Intra FIS Mock Trials**, organised by the students of **Grade XI Humanities**.

The two-day event, held on 30 and 31 October 2026, offered students a hands-on experience of courtroom proceedings, with participants taking on roles such as advocates, investigating officers, witnesses and accused. Three fascinating cases were presented across a **British Tribunal, an NIA Special Court and a Sessions Court**, covering historical and criminal cases that challenged students to research, analyse evidence, cross-examine witnesses and present arguments.

The experience provided valuable insights into legal procedures, courtroom protocols and the workings of the judicial system. It was an enriching learning opportunity that encouraged critical thinking, research skills, confidence and effective public speaking, bringing the world of law to life beyond the classroom.

FIS BREWS-CAFE

FIS Brews Café – Book Tasting Activity was a very innovative and delightful celebration of books, imagination and togetherness!

Parents and children stepped into our book café, explored exciting stories and discovered new genres through a fun and interactive reading experience. The unique café concept was warmly appreciated by parents, who loved seeing reading turned into such a joyful experience for children.

Supporting Our Children Through Board Exams: From Stress to Success

Our school counsellor, **Ms. Sherly Mathew,** recently conducted a **Parent Workshop for Classes X and XII** on helping teenagers cope with board exam pressure. The session began by explaining what is happening in the teenage mind: emotional control is still developing, identity is taking shape and constant comparison with classmates and social media makes every result feel deeply personal. Parents explored how different parenting styles influence student anxiety, highlighting that a warm yet firm approach fosters the best emotional outcomes.

The Art of Parenting: The 2026 Version

Our School Counsellor Ms. Saima Khatoon hosted an insightful workshop for the Playgroup parents. Ms. Saima held a collaborative session, explaining that common toddler challenges like tantrums and selective eating are natural developmental markers of independence rather than misbehaviour. Parents walked away with practical strategies for setting supportive boundaries, managing screen time, and viewing milestones as gentle checkpoints rather than a test of parenting success.
